SHOOTERS' DETAILS

We will begin the clay shoot at 1:30 p.m. so please show up in time to register, find your team, and make your way to your team's first station.

All shooters are required to provide their own ear and eye protection.

Each team will be given a scorecard, be assigned to a starting station, and then proceed in numerical order.

If you begin on the 10th station, when your team is finished, you will find your way to the 1st station to shoot next.

We will assign you to a team and you will find out who is on your team at registration.

If you are well versed in shooting clays, we might ask you to assist beginners or less-experienced shooters.

All shooters must be over the age of 12 and a parent or legal guardian must accompany any shooters under the age of 18.

Come prepared with 2 boxes of target loads that fit your shotgun (50 shells total). We will not have shells to sell and Carlisle Fish and Game does not sell shotgun shells. We will not supply guns, so you will have to bring your own or share a teammate's.

You may use a 12 gauge, 16 gauge, 20 gauge, 28 gauge or .410 shotgun for this shoot.

After your team of up to 7 shooters is finished shooting at each of the stations, shooting at 50 targets each, please return your firearms and any other equipment to your vehicles and find your way to the barn.

We will have further instructions for shooters at the check-in table on the day of the event.
